Hi Jake,

This note is to confirm that the AWS final report was delivered to the Office of the Executive Secretariat (OEX) today. For your convenience, I have attached the documents that were included in the package:

- 1). NACEPT Transmittal Cover Letter from Bill Ross
- 2). The AWS Final Report (A copy was printed in color)

The OEX will enter the letter and final report into the EPA Correspondence Management System (CMS). CMS will generate the documents electronically to the Administrator. Once in CMS, it will then be assigned to a special assistant

for the appropriate follow-up. OEX did not give a timeframe for when the docs would be uploaded to CMS. However, I would imagine it will be sometime next week.

Please be advised that CMS does not permit carbon copying of documents. Therefore, you can email the attachments directly to Michael Shapiro, John Goodin Barry Rabe, subcommittee members and any other interested parties. It is probably easier for you to do this, but I can ask Bill to send something if you prefer. I can do it as well on behalf of Bill.

I can touch bases with you on Tuesday upon my return to the office.

I appreciate your efforts and glad that everything worked out in a timely fashion.

Best regards,  
Eugene
